Sponsors vary from year to year. There is no guarantee that we will continue to have sponsor support. We need to provide a method for ensuring PCVG costs are covered.

### **4. How does the membership work?**

The MyPBGames' membership is a "rolling" membership. This means that your one-year membership is based on the date that you started your membership within MyPBGames. If you started your membership on September 1st, 2025, then your expiration date is August 31st,

2026. This means that renewal fees are due on the anniversary of your join date, so you get a full year regardless of when you join.

#### **5. How will I pay for my membership?**

All payments will be handled online. When you become a member through MyPBGames, you will be asked to make your \$20 payment online via a credit or debit card. Accepted cards are American Express, Discover & Diners Club, Mastercard, and Visa.

The PCVG's focus is on covering the expenses it takes to manage and execute its activities. It is not focused on making a profit as we are non-profit organization.

#### **8. With the implementation of MyPBGames, will all leagues now report scores to DUPR?**
